Hello supporters!

A few months ago Mrs. Gordon from Friendship School in Spanish Town said to me, "*There are no words in the English language to express our appreciation for what you are doing for these children*".

Since 2004 you have supported Jamaica YES generously. Thanks for your gifts of goods, money, time, services (Web-site, FedEx, UPS), and kind words.

We have been good stewards of your gifts. We are not paid for what we do. We do it because we have the desire, the time and your support.

And so, on behalf of the children in Jamaica who have benefited from your gifts ...
THANK YOU!

Sincerely,
Dawn Renwick
President

Breakfast program

For the 5th year, we are supporting the breakfast program at Friendship School in Spanish Town.

In the photo below, the painted wall is located in the room where the children at Friendship are given breakfast.

Student Financial Aid

When times are so hard that she cannot afford the school fees, books, uniform, lunch money, bus fare and shoes for her 3 young children, what does a mother do? Desperate, this mother's plan was to sell sugar and rice. The application for financial aid came to us from her long-time friend. Being able to make a difference in situations like this, makes it all worth while.

A gift of seeing clearly

How can a child learn, if he/she cannot see clearly? We are working out the details of a program that will provide eye glasses to students who need them but whose parents cannot afford them.

Bowl-a-thon

In May, we held our first Annual Bowl-a-thon. What a success it was! Thanks to all who donated and supported us.
