Happy New Year!

For 2007, Jamaica YES expanded its assistance to schools in Jamaica. In addition to our first breakfast program at St. Theresa in St. Mary, we provided breakfast at another school—Friendship School in Spanish Town. We also paid tuition for seven students at St. Theresa and funded school building repairs at Cudjoes School in St. Catherine.

This year, we will continue the breakfast program at Friendship. Due to a change in the principal at St. Theresa, the breakfast program is on hold while the new principal gets her hands around her new responsibilities. We are hoping to be able to send computers, donated by Texas Instruments, to another needy school.

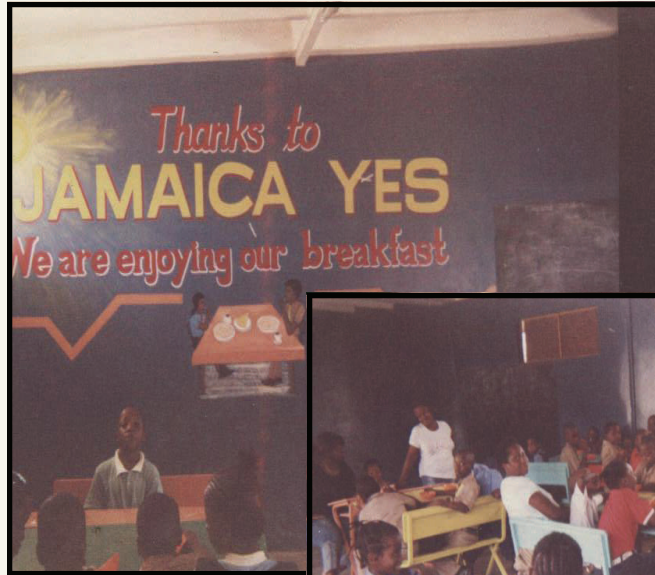

As always, we are ever grateful for your continued support. Wishing you peace, good health and prosperity.

Sincerely,  
Dawn Renwick  
President
