

2026 CHANGING CHILDREN'S LIVES GOLF TOURNAMENT

Dear Sponsors, Donors, Golfers, and Volunteers,

If this unusual September heat was trying to slow us down this year, it didn't stand a chance. This year's crowd at Watters Creek was a great mix of familiar faces and first-timers, all showing up for the same reason: to enjoy a beautiful day out on the course and to be part of something bigger: changing children's lives. It was a full day of golf, great food, raffle prizes, and silent auction excitement.

Because of you, underserved schoolchildren in Jamaica who don't have enough to eat will keep getting the meals that let them focus on learning instead of hunger. Off the course, our community showed up too: the annual pre-tournament food drive brought in 705 pounds of food for Plano-based nonprofit Minnie's Food Pantry, giving families a boost right here in the local area.

We're already looking ahead to our 7th Annual Changing Children's Lives Golf Tournament in 2027, and we hope you'll be back, bringing a few new golfers with you. Our goal is to increase this tournament to at least 100 golfers next year, and with your help spreading the word, we know we can get there. We'll announce the 2027 date once it's confirmed.

With gratitude,

The Jamaica YES Board
